*Wm. Booker, Glenrock*
*Lee Moore, Douglas*

In issuing this book, we are aware that there are some mistakes and many omissions. We have made an effort to eliminate all brands that are not in use at the present time It has been impossible to include all brands for the reason that many cattle owners have failed to send a list of their brands to the Secretary. It was also impossible to take the brands from the County Records. for the reason that we did not care to publish a lot of obsolete brands. We intend to issue later on a supplement to this book, and would like to have all Cattle Owners send to the Secretary a list of their brands.

---

Copies of this book may be obtained from the Secretary. The price to members of the Association is 50c to non-members $1.
